

Boston July 3-

Dear Madam,

I returned to Boston yesterday after a month's absence in the country, and found in the Post office the enclosed report, with a note from you.

The Report appears to me exceedingly correct. It contains an ~~amplified~~ abridged but exact statement of what I said, & I do not see that I could improve it -

With much respect -

Your friend & servant -

R. W. Hildenath.

Mrs Maria W Chapman -
